

COMING TO YOU THIS WINTER!

Retro/Safety Winter Workshops

The Washington Farm Bureau invites you to participate in Retro/Safety loss prevention and safety training programs and workshops annually as a condition to participation in the Retro Rating Group.

For Plan Year 2016 there are 10 scheduled Winter Workshops across the state for the convenience of our Retro/Safety members.

Please plan to attend the workshop at the location easiest for you.

All meetings run from 8:30 am to noon.
