*Volunteer  
May 29th-31st!*

**\*\*\*RSVP TODAY\*\*\***

*While the media has long forgotten the devastation of last summer's wild fires in the Okanogan, those farmers and ranchers impacted work to rebuild. It's time to volunteer some of our skills and energy to support them!*

**Join the Washington Farm Bureau Young Farmers & Ranchers recovery efforts May 29-31st!** We will be doing a variety of jobs from ash & trash clean up, fence building, piling brush and burning. A supply list will be coming out shortly as well as our camp location. We are tentatively set for folks to arrive Friday. LOAD up your vehicles and let's make a difference! Please RSVP to Kristen by May 8<sup>th</sup> at [360-770-3383](tel:360-770-3383) or [khintonranches@gmail.com](mailto:khintonranches@gmail.com). If you have questions, please reach out to her.
